**For More Information Please Call:
City of West Lafayette Department of Development
765-775-5160**

Note: A lease is a legally binding contract between a tenant and a landlord. For any concerns you may have regarding a lease, please seek counsel from an attorney.

Before a complaint can be filed:

1. As the tenant, you must inform your landlord of the problem(s) and give them at least 10 days to respond before you file a complaint with this office.
2. All complaints must be submitted in writing.
3. A copy of our report will be sent to the owner/property manager and the complainant. If violations are cited, repairs must be made and a re-inspection date will be set.
4. We will continue to re-inspect the property until the conditions of the report are met. The owner/property manager may be assessed fees for additional inspections.
